

# ROCHELE PAINTING'S ONSITE CARE

The health and safety of Rochele's customers and our painters are our top priority. Rochele Painting is continuing to monitor updates from the Australian Department of Health, and the World Health Organisation to take all necessary measures to keep everybody healthy and safe. We adhere to a strict safety protocol, which follows national guidelines including:

## Good Hygiene Practises

Everyone must practise good hygiene to protect against infection and prevent the virus spreading.

Wash your hands for 20 seconds with soap and water

Cover your coughs and sneezes with your elbow or a tissue

Put used tissues straight into the bin

Use alcohol-based hand sanitisers & disinfecting spray on site

Avoid touching your eyes, nose and mouth

Clean and disinfect frequently used surfaces

Clean and disinfect frequently used objects such as mobile phones, keys, wallets, painting equipment

Increase the amount of fresh air available when working inside by opening windows conditioning

Use protective gloves when handling access surfaces such as gate latches and door handles

# ROCHELE PAINTING'S ONSITE CARE

## Social Distancing

If you are unwell, stay at home and away from others.

Stop shaking hands to greet others

Provide alcohol-based hand rub for the painting team

Postpone non-essential training

No sharing of food or drinks between the team

Eat lunch outside and separated by a distance of 2 metres

Avoid non-essential travel

Stay safe & we will overcome this crisis together.
